CIVIL ACTION NO. H-14-2086

ORDER OF DISMISSAL

On December 18, 2015, the court entered a Memorandum Opinion and Order granting General Dynamics Land Systems' Motion to Compel Arbitration (Docket Entry No. 24). Counsel have now advised the court that all claims are being arbitrated. (Status Report, Docket Entry No. 25) A district court has the discretion to dismiss an action when all the issues raised in the district court must be submitted to arbitration. Alford v. Dean Witter Reynolds, Inc., 975 F.2d 1161, 1164 (5th Cir. 1992). Because all of the issues in this action are being arbitrated, there is no reason to retain jurisdiction over the case. Accordingly, this action is **DISMISSED**.

SIGNED at Houston, Texas, on this 29th day of February, 2016.
